Question: Difference between compost sure green and compost sure blue

Answer: If your compost toilet doesn't have a water flushable system, then Sure Green is for you. I don't have a flushable system. When I purchased my system, it came with bags of Sure Blue and I noticed it took much longer to deteriorate so then I started buying Sure Green and it totally sped up the process.

Question: Is this price for 1 bag or for a case of 5 bags? Asking because I have paid about $16 per bag at other stores.

Answer: This is one bag

Good s--t, seriously.

Reviewed in the United States on December 17, 2018

Verified Purchase

One bag i stored in a large container after adding water and in a few days there was a whole field of mushrooms growing in the compost sure!! Crazy!

Rev. Niamo

The best compost toilet material

Reviewed in the United States on December 14, 2019

Verified Purchase

Do not make the mistake of buying cat little suitable for compost toilets at Walmart. This is the ONLY product to use with the SunMar compost toilet imho.
